<i>Supplemental/ Bid Bulletin No. 3:</i> 14. Brand should be in the Philippine Market for at least 3 years. However, brands that are not in the Philippine Market are also acceptable.	If the product brand has no presence here in the Philippines for at least three (3) years, then compliance to the product warranty cannot be guaranteed outright as compared to brands that have an established presence here in the Philippines which may result to unintended consequences and be disadvantageous to the intended End-user.	This is to reiterate that brands which are not in the Philippine Market are acceptable.
